

How to Complete the Coordinator Designation Form

The online Physical Fitness Test (PFT) Coordinator Designation Form is required to be submitted every year by November 1. The form also needs to be updated when:

- There is a new superintendent or PFT Coordinator for your local educational agency (LEA).
- There are changes to contact information for the Superintendent / Charter School Administrator or PFT Coordinator.

Coordinator Registration

Every LEA needs to designate a PFT Coordinator by November 1 every year, even if the LEA uses a vendor or does not have students in grades five, seven, or nine. This ensures that the LEA will receive the latest PFT information and updates and be able to submit, review, and correct data, as needed.

To obtain the password needed to access the secure District Portal, complete the [PFT Coordinator Designation online form](#). The LEA superintendent or administrator will be contacted by e-mail to approve the information on the form before the password is released.
